The newest Sammy external hard drive series includes rugged drives with stylish enclosures. Samsung reports, its G Series is designed under an eco-friendly green concept, and is targeted towards young adult market. The G-Series, the eco-friendly drives to be halogen-free, features low-noise levels, low-power consumption and meets the ROHS regulation for eco friendliness.

Key features include Samsung Auto Backup for ongoing data preservation, SecretZone software for personal data encryption and SafetyKey for password protection
